Thanks John. Let's talk. I think we are done. If everyone voted the way they said they did, Deny & I are optimistic about our Ballot outcome. We don't want to go after property owners generally as much as we want those that support BID formation to vote. We think we have those votes submitted at this time. (I have 1 more contact to make.) We need to wait for the hearing / vote count at this point. Thanks for your email. Let's talk.
